

# EIC COMMUNITIES

September 11<sup>th</sup>, 2024 | Press Release EIC Communities

## DEEPSYNC platform presentation video is now out

The video provides an overview of the platform, showing its innovative features and the benefits it offers to the EIC Communities project.

[The DEEPSYNC platform](#) serves as a dynamic hub, bringing together innovators, stakeholders and supporters to foster collaboration and drive forward cutting-edge projects. In this video, viewers will discover how DEEPSYNC enables seamless interactions, supports project visibility, and facilitates the sharing of valuable insights and success stories.

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or EISMEA. Neither the European Union nor the granting authority can be held responsible for them.

## What to Expect in the Video:

- An introduction to the DEEPSYNC platform and its role within the EIC Communities project.
- Key features of DEEPSYNC, including the projects and supporters databases.
- The importance of the Stories section, sharing personal insights from innovators.
- Upcoming events and real-time news updates from the European Innovation Council.

This video is designed to provide a clear understanding of how DEEPSYNC can enhance innovators' experience within the EIC Communities and help them connect with other innovators and stakeholders.
